## maschinenraum(1)

### NAME

maschinenraum -- playground for hacker, nerds, geeks, cyber organisms, little computer people and dreaming electric sheeps @ m18.uni-weimar.de

### SYNOPSIS

```
maschinenraum user [--build] [--check] [--chill] [--clean] [--discuss]
[--join] [--leave] [--play] [--rebuild] [--revolutionize]
```

### DESCRIPTION

maschinenraum offers space for [shy] nerds (with wet romantic dreams of cyborgs and electric sheeps) for social/technical interaction and lulz.

### ENVIRONMENT

#### CYBERANARCHISM

The social organisation on a (digital) network as one without a centralised monopoly on the excercise of force.

### BUGS

Automatic garbage collection does not work yet. Please use --clean ;)

### TIPS

```
mr@mediathek:~$ du -chs /mnt/lvm/Media/ \n1.9T      total
In lovly memories to Günther Wehlan. NO W[EH]LAN -- NO PIECE !
As it was, love would burn on through the night.
```

### MEMBERSHIP

No membership required! Everyone is welcome to join in, work on a project and modify the space whitin the runtime enviroment settings. See ENVIRONMENT.
